

1. Safety instructions for your product

Read and follow the instructions in this user manual to use the product at hand safely. Do not carry out any renovations or repairs on your own.

2. Caution

When attaching and closing the drawers, make sure that your fingers are not pinched.

Make sure the item is secure. This should always be in the water to avoid tipping over.

3. Note

Do not lean on the drawers/doors as unfortunately as they may break out.

Do not hang on to the drawers, otherwise they could break out.

We recommend 2 adults for the installation.
